第96弹

翻译: The sharing economy is taking off in China, where you can rent anything from umbrellas to apartments, power bank to bikes.

分析:

1. 共享经济正在中国蔚然成风

The sharing economy is taking off in China

1) "共享经济":记住,专业表达 "the sharing economy",要有定冠词 the,动名词 sharing

- 2) "蔚然成风":= "腾飞、火起来了"=take off,别忘记用现在进行时体现"正在"的时间
- 2. 你可以租借任何东西,从雨伞到公寓,充电宝到自行车。 ,where you can rent anything from umbrellas to apartments, power bank to bikes.
- 1) 很多人这里不知道句子怎么衔接,你可以用连词 and、分号、或者干脆另起一句话。答案里用的是"逗号+where…"--非限定性定语从句. 这里的 where=in which
- 2) "租借":有人写 rent or borrow, 画蛇添足, "租借"就是 rent
- 3) "任何东西,从···到···":记住固定句型:anything from···to···;不是 everything from···to···
- 4) 记住"充电宝"的表达:power bank

最后再对照学习一遍:

翻译: The sharing economy is taking off in China, where you can

rent anything from umbrellas to apartments, power bank to bikes.
