第 57 弹

原文:电视剧《人民的名义》不光展现了反腐战争的复杂和困难,还深层次地探究了官员灵魂扭曲的原因。

翻译: The TV drama "in the Name of People" not only shows the complexity and difficulty of the battle against corruption, but also makes a deep inquiry into what makes a politician's soul twisted.

分析:

- 1. 电视剧《人民的名义》不光展现了反腐战争的复杂和困难
- 1) 电视剧: TV series (单数)、TV show、 TV drama 都可以
- 2) 不光···还(而且): not only···but also(这是一个平行结构,注意里面的谓语 动词的形式的一致性 shows 和后面 makes)
- 3) 反腐战争的复杂和困难:the complexity an difficulty of the battle against corruption ("反腐战争" 还可以说:the anti-corruption war)
- 2. 还深层次地探究了官员灵魂扭曲的原因。
- 1) 深层次地探究了:make a deep inquiry into···(inquiry 是名词:探究、调查)

2) 官员灵魂扭曲的原因:what makes a politician's soul twisted(这是一个名词性的从句,作为前面 make a deep inquiry into 后面的宾语;也可以直译为:the reason behind a politician's twisted soul)

最后再对照学习一遍:

原文:电视剧《人民的名义》不光展现了反腐战争的复杂和困难,还深层次地探究了官员灵魂扭曲的原因。

翻译: The TV drama "in the Name of People" not only shows the complexity and difficulty of the battle against corruption, but also makes a deep inquiry into what makes a politician's soul twisted.
