第 121 弹

原文:经验是个很苛刻的老师,因为她总是一上来就把你考倒,然后才给你上课。.

翻译: Experience is like a strict teacher, because she gives you a hard test first, and then teaches you a lesson.

*分析:

1. 经验是个很苛刻的老师

Experience is like a strict teacher

1) "是个": 用 be like a 比较自然

2) "苛刻的": 可以用 strict, hard, harsh, stern 都可以

2. 因为她总是一上来就把你考倒,

because she gives you a hard test first,

- 1) "一上来": 这是个状语, 用副词 first 即可, 除了表示 "第一次", 也表示 "首先、一上来"
- 2) "把你考倒":give you a hard test(给你一个困难的测试)
- 3. 然后才给你上课。.

and then teaches you a lesson.

teach somebody a lesson:记住这个非常地道的句型,表示"教训某人一顿,给某人上课,让某人长记性",等等

最后再对照学习一遍:

原文:经验是个很苛刻的老师,因为她总是一上来就把你考倒,然后才给你上课。.

翻译: Experience is like a strict teacher, because she gives you a hard test first, and then teaches you a lesson.
