第 98 弹

原文: He tried to be efficient in running the company and visionary about the future, but ended up confusing and alienating shareholders.

翻译:他竭力高效地运营公司,并颇有远见,但最后却让股东满心疑惑,日益疏离。

分析:

1. He tried to be efficient in running the company and visionary about the future,

他竭力高效地运营公司, 并颇有远见,

- 1) be efficient in doing sth.: 在做某事的过程中很高效
- 2) be visionary about the future:对于未来很有远见,高瞻远瞩(visionary:有远见的)
- 2. but ended up confusing and alienating shareholders. 但最后却让股东满心疑惑,日益疏离。
- 1) end up doing:非常重要的句型,表示"以…结尾",举例:
 He always wanted to be a singer, but ended up being a cook. 他
 一直相当个歌手,但最后只做了一个厨师。
- 2) confuse sb.: 让某人疑惑, confuse 可以作及物动词
- 3) alienate:使…疏远、及物动词、其名词形式:alienation
- 4) shareholder:股东

最后再对照学习一遍:

原文:He tried to be efficient in running the company and visionary about the future, but ended up confusing and alienating shareholders.

翻译:他竭力高效地运营公司,并颇有远见,但最后却让股东满

心疑惑, 日益疏离。
