## 第80弹

原文:晚上 10 点,在马德里(Madrid)一个最古老的地段,鹅 卵石铺就的街道上仍然人声鼎沸,人们品尝着传统美食。

翻译: It is 10pm in one of Madrid's oldest areas, and the cobbled streets teem with sounds of people enjoying traditional cuisine.

## 分析:

- 1. 晚上10点,在马德里一个最古老的地段,
- It is 10pm in one of Madrid's oldest areas,
- 1) 这是一个表达时间和地点的句子, 是一个主系表结构, 用 it

is+时间+in some place

- 2) "晚上 10 点": 10pm 来表达是最简洁的
- 3) "在马德里一个最古老的地段":in one of Madrid's oldest areas (注意 "某地点的所有格"可以用"撇 s"的形式)
- 2. 鹅卵石铺就的街道上仍然人声鼎沸

..., and the cobbled streets teem with the sounds of people

- 1) "鹅卵石铺就的街道":the cobbled streets(cobbled 指的是"铺有鹅卵石的", cobblestone-鹅卵石)
- 2) "人声鼎沸":即"充满了人声"--teem with sounds of people (teeming with 是现在分词作后置定语)
- 3) "人们品尝着传统美食" : 巧妙地和前面的 "人声" 形成修饰 关系, …sounds of people who are enjoying traditional cuisine

## 最后再对照学习一遍:

原文:晚上 10 点,在马德里(Madrid)一个最古老的地段,鹅 卵石铺就的街道上仍然人声鼎沸,人们品尝着传统美食。

翻译: It is 10pm in one of Madrid's oldest areas, and the cobbled streets teem with sounds of people enjoying traditional

cuisine.
