第51弹

原文:目前中国正大力反腐,而就在此时,《人民的名义》便应运而生了。

翻译: In the Name of People comes out at a time when China has been making efforts to fight against corruption.

# 分析:

# 1. "目前中国正大力反腐"

China has been making efforts to fight against corruption.

- 1) "正在":用了现在完成进行时,has been making···,表达这种工作从过去已经开始,然后持续至今
- 2) "大力做某事": make efforts to do sth.

3) "反腐" : fight against corruption ; fight against 表示 "与···作斗争",就是 "反" 的意思;很多人用了 anti-corruption,请注意,这个词既不是动词也不是名词,是形容词,可以这样来用:make anti-corruption efforts(做出反腐的努力)

### 2. "《人民的名义》便应运而生了。"

In the Name of People comes out

- 1) "《人民的名义》" :片名的官方翻译为 "in the Name of People"
- 2) "应运而生": 不要想得很复杂, 就是 come out

### 3. "而就在此时,"

at a time when...

- 1) 这个部分可以作为上面两句话的衔接部分,相当于一个"关节",特别重要
- 2) 可以用 at a time when···; at a time 表示 "在某一个时刻",然后后面跟一个 when 引导的时间状语从句

#### 最后再对照学习一遍:

原文:目前中国正大力反腐,而就在此时,《人民的名义》便应运而生了。

翻译: In the Name of People comes out at a time when China has been has been making efforts to fight against corruption.
